The background is a vibrant green with a large, menacing green monster head in the top left corner, featuring red eyes and sharp teeth. In the top right, a tablet displays a game scene with a character and a vehicle. Below the monster, a smartphone shows a game interface. The central focus is the text '+600 H' in large, bold, red-outlined characters, with a white 'H' inside a green circle to the right. Below this, the words 'GAME POINTS' are written in white. A series of five red arrows originates from a central point and points towards various devices: a smartphone, a laptop, a tablet, and a console. In the bottom left, there is a LEGO Herofactory product box and a partially assembled model. At the bottom center, there is a QR code and a circular logo with the text 'HEROFAC' and 'LEGO'.
