Imagine crafting your own wall art. Maybe it's a passion that fascinates you, or maybe it's the promise of an immersive creative experience like no other: a piece of iconic art you can build from scratch, paired with a unique soundtrack curated around the world of The Beatles. You can listen as you build, at your own pace, and get the inside story. Relax and reconnect with your creative side. Create something you'll love, and give your living space a touch of the iconic.

Your LEGO® Art set is created by Senior Designer Kitt Kossmann and Design Lead Christopher Stamp

ALL YOU NEED IS LOVE

THE
BEATLES

JOHN
PAUL
GEORGE
RINGO

There are legendary rock & roll bands – and then there are The Beatles. From Beatlemania's early onset to the fever-breaking counterculture of the late 1960s, The Beatles have always been about more than their music: their experimental films, their ever-changing fashion, and even their hairstyles were part of an aesthetic that would grow into a worldwide cultural movement. The band that elevated pop music into an art form and transformed a generation, continues to reign over the world of music, their influence unmatched. To own a Beatles record, poster or image is to own a piece of history.

The Band that Changed the World

The cultural impact of The Beatles stretches far beyond their status as an iconic rock band. Countless public figures spanning several generations – Hollywood actors, world leaders, fashion designers, tech superstars – continue to credit the Fab Four as their source of inspiration. The world's ongoing love affair with The Beatles has secured their standing as some of the most influential and transformative people of our time.

The BEATLES

'The White Album'

The band's ninth studio album, titled simply *The Beatles*, quickly became known as 'The White Album' because of its plain white cover. Written mostly at a transcendental meditation retreat in India and recorded in London's Abbey Road studios, *The Beatles* has sold over 24 million copies since its release in 1968 – with Rolling Stone magazine naming it the 10th greatest album of all time.

The buildable piece of iconic art you now own is based on the four portraits featured on the inside of the gatefold sleeve of the original vinyl version of the album. These portraits now feature on the cover of *The Beatles' Super Deluxe Edition*, a seven-disc release for the White Album's 50th anniversary in 2018.

LISTEN

Start your exclusive unique soundtrack and immerse yourself in the world of The Beatles.

BUILD

Follow the simple instructions in this book to create your iconic piece of art.

RELAX

LEGO® Art is the perfect way to disconnect, de-stress and recharge.
