A new world under the sea

Disney's *The Little Mermaid* follows the adventures of Ariel as she discovers new wonders in her world and finds her voice in a journey of self-discovery. Her story invites us to explore the breath-taking and magical world, above and below the sea, and see both in a new light. Inspired by Ariel's own treasure trove of dinglehoppers and other cherished keepsakes, this set imagines her world in a seashell, surrounded by her beloved family and aquatic friends.

Disney
THE
LITTLE
MERMAID

Disney's *The Little Mermaid* (2023)
reimagines the animated classic in stunning
live-action with an all-star cast and some
brand-new songs.

Down in the depths of the oceans they live

The Little Mermaid reimagines the beloved story of Ariel, a curious mermaid who longs to experience life on land and, against her father's wishes, visits the surface. Ariel finds herself on an unexpected journey of self-discovery as she encounters a prince, a sea witch and an incredible new world.

From the design team

'Inspired by visual assets of the key environments in the movie, we chose elements fans of the original animation would recognise as new interpretations of Ariel's cave of trinkets, Triton's throne and Ursula's hideout. We knew we wouldn't be able to confine these within clear boundaries – the environments are organic and naturally blend into each other at the bottom of this lively, fictional sea. Creating a seashell as a way of encompassing this magical world seemed like a fitting and attractive idea. And what a fun model it was to create!'

- Marcos Bessa, LEGO® Design Master

'*The Little Mermaid* has been one of my favourite Disney films since childhood, so I was very excited to hear of the live-action remake and that the LEGO Group would have a set that draws on that nostalgia. The best part of designing the graphics has been incorporating the reimagined world of Ariel. The character storylines and overall deeper, representative nature of the film really inspired me, and I hope you all can enjoy this set as much as I enjoyed designing the graphics for it.'

- Niken "Nikki" Ayumurti Hartomo, Senior Graphic Designer
