

# Fabuland®

3671

LEGO

Joe Crow is a pilot. He flies his one-engine plane over the tree-tops of FABULAND. He is very brave and daring.

Jo le Corbeau est pilote. Il pilote son petit avion au-dessus des sommets de FABULAND. Il est audacieux et très courageux.

Paco el Cuervo es piloto. Vuela con su avión monomotor sobre las tres colinas de FABULAND. Es muy valiente y atrevido.

Maximilian Mouse works with his cousin, Morty, as the ground crew. Max, as everyone calls him, is very good with his hands.

La souris Titou, comme sa cousine Frimousse, fait partie de l'équipe au sol. Titou est d'ailleurs très débrouillard.

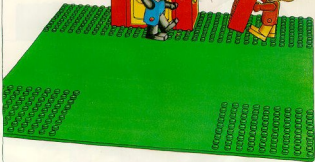

El Ratón Maximiliano y su primo Rodríguez forman parte del personal de tierra. Max, como le llaman todo el mundo, es muy mañoso.

Mortimer Mouse dreams of flying in Joe Crow's plane. He's very clever so perhaps he'll talk Joe into giving him flying lessons.

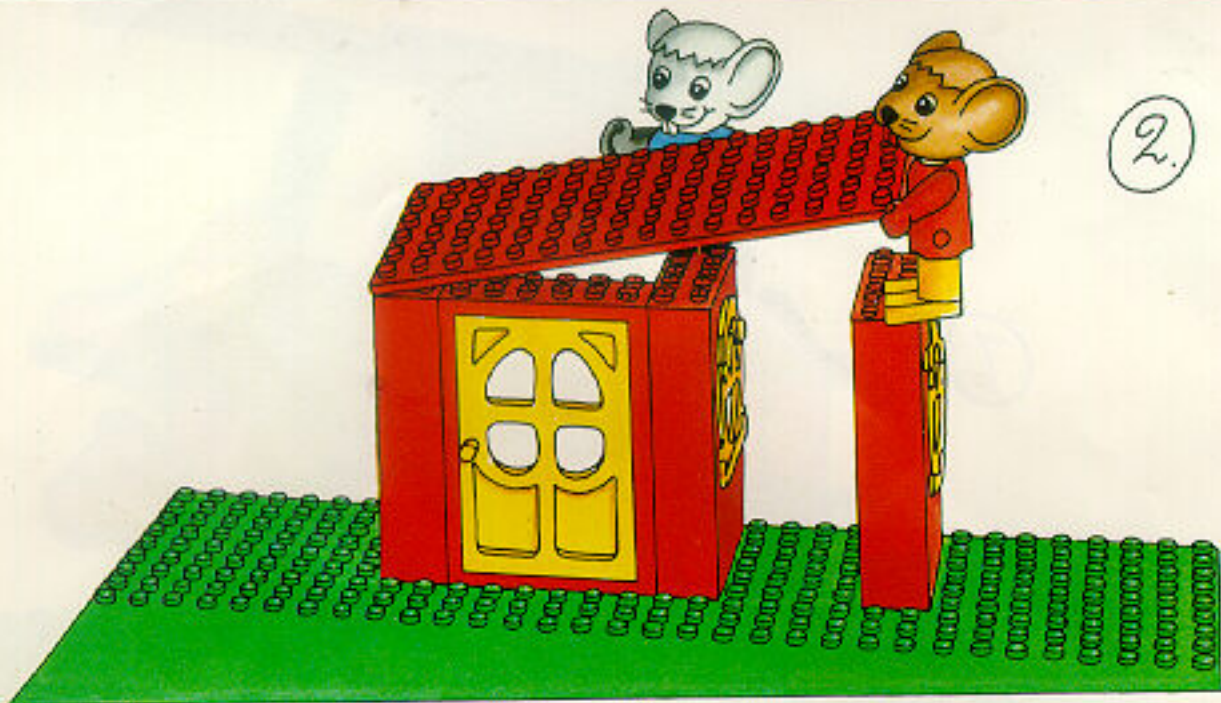

Frimousse la Souris rêve de voler dans l'avion de Jo. Elle est très habile et peut-être demandera-t-elle à Jo de lui donner des leçons.

Ratón Rodríguez sueña con volar en el avión de Paco. Es muy inteligente, por eso, quizás logre convencer a Paco de que le dé lecciones de pilotaje.
