# BIONICLE®

'In 2001, The LEGO Group introduced a new theme that would become a global sensation: LEGO® BIONICLE®. This story of mighty heroes with elemental powers took the world by storm and inspired comics, novels and four films. Now two of the most popular characters, Tahu and Taku, return in the form of this Exclusive set – in System bricks!

This special set is not only a tribute to the BIONICLE heroes – it's a thank you to the legions of fans who have kept the spirit of BIONICLE alive for more than 20 years. It's the passion and creativity of the fans of all ages that ensure the legends of the Toa will always live on.'
