THIS VENOMOUS MODEL WILL GROW ON YOU...

"Dangerous alien villain? Or misunderstood anti-hero? However you perceive Venom, there's no getting away from the fact that he's an absolutely iconic character in the Spider-Man universe, and we wanted to pay tribute to that for the fans.

The first obstacle for us when designing was that he is a symbiote, so it's not a mask, it's actually a living, breathing thing, and making something which feels organic is always a challenge with LEGO® bricks.

We made the eyes slightly asymmetrical to help with the organic feel, and naturally that famous big, red tongue is a central feature. I think the team hit the iconic Venom look spot on, and I'm sure fans will agree.

One last thing...take care while building, this is a model that will grow on you!"
